

GOBLINS ANIMATED is the story of a D and D realm told from the point of view of the little guys, the "monsters," instead of the adventurers. It's a heroic tale of a group normally considered evil and weak. Think Smurfs meets Game of Thrones.

HOW IT ALL STARTED...

In 2007, Tarol Hunt was working as a croupier, drawing the comic in his spare time, and not loving life. He had a dream to be a comic book artist full time. He went out and pursued that dream, and ten years later

we have the genius of [Goblins Comic](#) for all to see. In 2012, [Matt King](#) began pestering Tarol about creating an animated version of *Goblins*, giving a wider audience the chance to see the violent, hilarious and touching world he's created. In 2016, TV's [Phil LaMarr](#) got on board and (with the support of the amazing woman behind the curtain, Danielle Stephens) in December 2017 they raised over \$250,000 to make a fully-animated trailer to show the wonder of a GOBLINS world come to life!

SO WHAT'S THE STORY?

What's [Goblins Animated](#)? It's the cartoon version of the Goblins web comic. Week to week, Tarol has taken his audience through an incredible world, all seen through the eyes of the **Complains of Names**, **Thaco**, **Minmax**, **Big Ears**, **Forgath** and many more.

These fantastic characters do the best they can in circumstances always a little out of their control. Their emotional roller coaster has made fans laugh, gasp and cry for a decade, making Goblins one of the most popular web comics on the net, with up to 60,000 unique views per day during it's peak!

Matt, Phil and Tarol have turned *Goblins Book 1* into Ten Episodes of incredible fantasy role-playing Goblinic Cartoon Awesomeness! Matt King (*Gl:Joe Renegades*, *World of Warcraft*) and Phil LaMarr (*Samurai Jack*, *Futurama*, *Mad TV*) are lending their voice talents to the production as well. Phil and Matt's friends from *Futurama* and other fan favorites, **Billy West**, **Jennifer Hale**, **Jim Cummings**, **Matthew Mercer**, **Maurice LaMarche**, **Steve Blum**, **Tara Strong**

and more amazing **Mystery Cast Members** have agreed to come onboard, grab a +1 sword of sharpness and help bring these characters to life!
